Minutes of the LMSC AGM held on Thursday 19th March 2026
The Henry Tudor Inn, Wyle Cop, Shrewsbury

Present: James Allcock, Rich Amor-Wilkes, Chris Baird, Dave Bibby, Phil Bibby, Hugh Boyes, Crawford Coulson, Roy Dade, Tim Dunn, Luke Evan, Tony Flint, James Harrison, Ben Henson, Ian (Jock) Jones, Jackie Knight, Dave McCleod, Richard McCrohan, Jon Mills, Geoff Minshull, Steve Pym, Dave Roberts, Jason Smith, Dave Thomas, Pete Whittaker

		Action
1.	**Welcome and Introduction**	
2.	**Officer Reports for the Preceding Year**	
2a	**Treasurer**: Jason Smith The Club holds four funds accounts, Paypal, 32 day notice account, current account, deposit account. Most of the club's money is held in the 32 day notice account to safeguard the funds. Subs form the largest portion of the club's income. Around 195 full members at £30 annual membership fee. Our biggest expenditure are site fees. We have several sites which need significant funds. Long Mynd National Trust Agreements £70 pa Plowden Estates for Black Knoll now reached £540 pa Powis Castle Estates for Corndon access £350 pa Raby Estates for Wrekin launch access £250 pa Long Mynd Site maintenance has been of similar annual costs in recent years 2025 provisional figures show a £7,036 income, £5,709 expenditure resulting in a £1,326 surplus. Over the last 10 years, the bank balance has increased roughly inline with inflation. James Allcock commented that most clubs, including the BHPA, retain fairly significant amounts of capital as site acquisition funds. This could perhaps be better utilised if clubs and, perhaps the BHPA, had a collective strategy. He is hoping to progress this idea.	
2b	**Sites Officer:** Richard McCohan It's been a turbulent year for the sites team. Long Mynd (LM) access issues are ongoing with pre-CP training on hold as we work to find a suitable resolution for members. Lessons have been learned to always try to manage discussions within the club and not involve land-owners in divisive topics or in matters about what types of pilots should fly. The Wrekin is currently for post-CP pilots and this will remain unchanged at present as the focus is currently on resolving issues around Long Mynd access. Bulthy Hill Farm is a new site to the club and the site guide is in preparation. In June 2025 the club helped BHPA update the details they held about the sites we managed. Some information was quite out of date Thanks to all the site managers for their hard work over the last 12 months. Richard also extended thanks to Jackie Knight and James Harrison for delivering Christmas gifts to landowners/tenants of Corndon, Camlo and Shepherds Tump.	
2c	**Membership Officer:** Luke Evans The current Club Membership stands at 194 which is broadly inline with the last few years. While we have a degree of membership churn, numbers are holding steady. 28.5% of members joined in the last 12 months while 36% have been members for over 6 years.	

	Figures and charts were presented on the location of members. We have members spread across the country. 30% of the membership live over 50 miles away from Long Mynd as the crow flies while 30% live less than 20 miles away. 14 members only fly hang gliders, 8 fly both. 171 fly paragliders. Around 1/3rd of members claim to be power rated. Data is now coming through regarding which schools members trained with. It was noted that this has only become an obligatory field in recent years. In the last 12 months 13 new members trained with Leavesley Aviation, 11 with Elevate, 7 with Airways and 2 with Evolution.	
2d	**Communications Officer:** Chris Baird Chris published a newsletter in April last year and highlighted the need for members to submit articles. Chris asked for articles to be sent to him for inclusion in the newsletters.	
2e	**Social Secretary:** Dave Bibby Thanks were extended to Roy Dade and James Allcock and all who helped out organising events over the last 12 months. The Christmas meal was attended by 28 members with a talk by Richard Meek. We also had a talk by Ross Ogden attended by 40 members. The 'Last Thursday of the Month' club is open to all members. The club BBQ last year was missed due to poor weather. We will try and hold a similar summer function this year, either a BBQ or cold meal depending on the fire risk and weather over the summer.	
2f	**Competitions:** Dave McCleod A successful round of the BCC was held at the Long Mynd in August. The LMSC Team came 2nd with several members logging 100km+ flights. Overall we came 10th out of 23 teams over the year. Colin Jones was UK Champion in 2024 in paragliding accuracy. If you are interested in joining the accuracy team to improve your landings then speak to Colin as he is looking to coach and encourag members to participate. The British Open Series (BOS) Hang Gliding Nantional comp was scheduled for 6-9th September and the Long Mynd was requested as a possible site but the weather did not play ball. **2026** The BOS2 round is in mid Wales 8th - 15th August 2026. The UK Paragliding Accuracy Nationals are May 23-25th Challenge Tasks - A series of waypoint based challenges has been created. Initially this is 4 tasks created for fun and also pilot development. There is a mixture of difficulty levels for all pilots and those located on the Long Mynd are designed to be accessible and flown without leaving the hill, so suitable for CP pilots. If there is sufficient interest, more tasks will be added. One of the challenges is a walking one that can be used to try navigation instrumentation while waiting for the wind More details on xcmap.net and LMSC website Dave McCleod has now stood down from the role after 3 years. He was thanked by the club for his time in the role.	
3.	**Chairman Summary:** James Allcock James thanked Max for continuing to provide support and infrastructure for the club website. He also thanked Dave Thomas for maintaining and adding to the range of Club webcams. Thanks also went to JM and RAW for joining the committee at the EGM and James reported that he was very happy to see them stand for election at this AGM. Thanks went out to the individual site managers, with particular note to Tim Dunn for the work involved with painting flagstones, sorting the signage and endless site maintenance work at Long Mynd. He was grateful to Geoff Minshull and Crawford Coulson for their recent support and to Roy Dade for his endless enthusiasm in so many different aspects including the work on sites and in first aid and incident support ideas. He also thanked Jackie for her help with the EGM and support in re-drafting the club Constitution; to Phil Bibby for his foresight in replacing the Club Constitution and also to Andy Mac for his years of service as Chair. James also thanked the local schools for being the 'engine room' of new club members.	

4.	**Motion: Adoption of the New Club Constitution** JA introduced the new constitution and highlighted some of the changes made. Some of the items mentioned including the addition of the addendum, changes to the membership levels, more detail on the process involved for behaviour disputes and the quorate figures being clarified along with the period of membership being required before new members acquire voting rights. A vote was held with 22 voting for and nobody voting against adoption of the updated constitution. The new constitution was therefore accepted unopposed.	
5.	**Election of the 2026 - 2027 Committee**	

Position	Proposed By	Seconded
Chairman: James Allcock	Geoff Minsull	Jacqui Knights
Treasurer: Jason Smith	James Allcock	Ian Jones
Secretary: Richard Amor-Wilkes	James Allcock	Dave Roberts
Sites Officer: Richard McCrohan	James Allcock	Tim Dunn
Membership Secretary: Luke Evans	James Allcock	Tim Dunn
